Performance BULL SALE

Friday, March 28, 2014 • 1 p.m. (CST) • MITCHELL LIVESTOCK

Welcome to our 16th Annual Performance Tested Bull Sale

As we write this letter another polar vortex is barreling down on us. It doesn't look as severe as the January and February systems, but still minus zero is still cold, maybe the wind will stay away this time.

Craig Roth
42879 277th St.
Freeman, SD 57029
(605) 925-4650
Cell (605) 359-9220

Once again we have a solid set of bulls. These bulls are out of proven sires that will add value to your next calf crop. They came off of pasture with no creep feed, just mother's milk and green grass. We started at weaning time feeding a balanced, high roughage, low mega calorie diet. We had J & R Feeds formulate this ration to naturally express muscle development and skeletal growth and yet be sound and functional for their first breeding season and beyond.

All bulls selling will have passed their semen evaluation and had their vaccinations for the 2014 breeding season. We will have a supplement sheet on sale day with their latest epd's or check our web site at www.rothangusranch.com

Please join us Friday, March 28th for a hot Angus Beef lunch beginning at 11:30 a.m. at Mitchell Livestock in Mitchell, S.D. We look forward to seeing you there!
