ANGUS RANCH

FRI., MARCH 22, 2019

4:00 PM • At the Ranch Freeman, SD

Dear Cattlemen and Cattlewomen,

It is our pleasure to welcome you all to our 21st Angus Performance Bull Sale. We would first like to say, thank you for your interest in our genetics. It is with your interest and support of our program that strives us to continue working hard for you to have success and add value to your herd. Our family diligently works to continue advancing our cow herd, the bulls and their environment and genetics. By using our multi-trait Roth Angus bulls, they will sire progeny that are profitable across all segments of the industry.

In this sale, we are offering 40 yearling and 12 fall bulls that have been performance tested and evaluated for breeding soundness. We have recorded data on these bulls in all areas including calving, weaning, yearling, carcass, ultrasound, hip height, pelvic and scrotal measurements. We use the DNA test, Neogen GeneSeek, on our top 30 bulls to enhance accuracy of their EPD's.

In the development of these bulls, they received mama's milk and green grass until weaning time. After weaning, they were started on a high roughage, low Mcal diet. In October, we increased them to a 43 Mcal diet, which they are still currently on. Our goal has always been to develop bulls that express muscle development and skeletal growth and yet be sound and functional for their first breeding season and beyond.

Within our operation, we specifically breed our cows to produce easy calving, rapid growing progeny that also exhibits outstanding maternal traits. Docility and structural soundness is of utmost importance as well as phenotype of each offspring produced. In addition to that we believe that each animal needs to have the ability to perform in the feedlot and on the rail.

We invite you join us on Friday, March 22nd @ 4:00 p.m. for our video auction. Immediately following the auction, please stay for our post sale social and Angus supper. Thank you for viewing this offering and we look forward to seeing you sale day!

Thanks & God Bless,

The Roth's
