## ANGUS RANCH

# FRI., MARCH 26, 2021

### 4:00 PM • At the Ranch Freeman, SD

*Dear Cattlemen and Cattlewomen,*

It is our pleasure to welcome you to our 23rd Annual Angus Bull Sale. We would first like to say, thank you for your interest in our genetics. It is with your interest and support of our program that strives us to continue working hard for you to have success and add value to your herd. Our family diligently works to continue advancing our cow herd, the bulls, their environment, and genetics. By using our multi-trait Roth Angus bulls, they will sire progeny that are profitable across all segments of the industry. We are excited and proud of the bulls we are offering.

The Year 2020 will be on everyone's mind for many years to come. This will be the year that many generations will not forget. As American Ranchers we could not afford to have production come to a standstill as the world around us has in many ways. We could not be laid off of work or have production slow down as cattle need to be fed and cared for. No matter what is going on in the world today, we are dedicated to raise the best performing cattle in any situation.

In this sale, we are offering 51 yearling and 5 fall bulls that have been performance tested and evaluated for breeding soundness. We have recorded data on these bulls in all areas including calving, weaning, yearling, carcass, ultrasound, hip height, pelvic and scrotal measurements. In the development of these bulls, they received their mother's milk and green grass until weaning time. After weaning, they were started on a high roughage, low Mcal diet. In October, we increased them to a 44 Mcal diet, which they are still currently on. Our goal has always been to develop bulls that express muscle development and skeletal growth and yet be sound and functional for their first breeding season and beyond.

Within our operation, we specifically breed our cows to produce easy calving, rapid growing progeny that also exhibits outstanding maternal traits. Docility and structural soundness are of utmost importance as well as phenotype of each offspring produced. In addition to that we believe that each animal needs to have the ability to perform in the feedlot and on the rail.

We invite you join us on Friday, March 26th @ 4:00 p.m. for our video auction. Immediately following the auction, please stay for our post sale social and Angus supper. We are very proud of our seedstock that we are offering this year, our best set of bulls yet! Thank you for viewing this year's offering and we look forward to seeing you sale day!

*Thanks & God Bless,*

# DVAuction

Broadcasting Real-Time Auctions

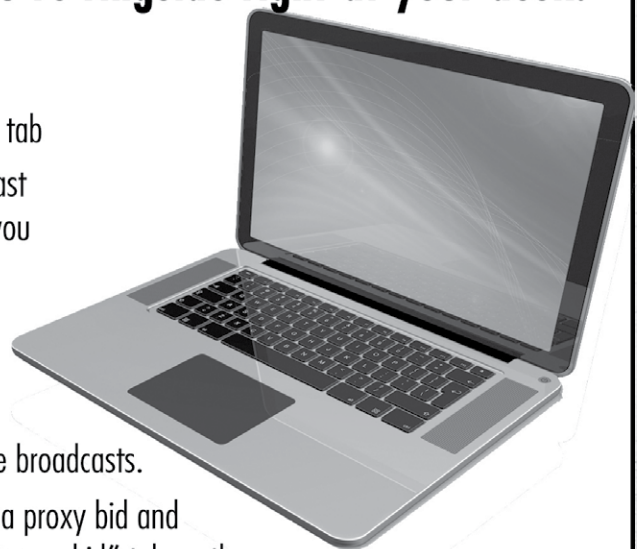

**View the Auction Live! Bid Online... you're ringside right at your desk!**

**Buying online is as easy as 1, 2, 3...**

1. Create an account at [www.DVAuction.com](http://www.DVAuction.com) under the "Register" tab
2. Apply for bidding approval by clicking on the "details" tab at least 24 hours prior to the auction — a DV representative will notify you once you have been approved.
3. Tune in for the sale to may your purchases!

**High Speed internet** is required for successful bidding-be sure to check the lag-time monitor in the top left corner to ensure real-time broadcasts.

**Proxy-bidding** — if you can't make time to watch the sale, register a proxy bid and let our system represent your bid while you're away. Look for the "proxy bid" tab on the auction listing, and fill in your maximum bids. We'll handle the rest!
