ANGUS RANCH

28th Annual Sale

FRI., MARCH 27, 2026

4:00 PM • At the Ranch Freeman, SD

Dear Cattlemen and Cattlewomen,

It is our pleasure to welcome you to our 28th Annual Bull Sale. We sincerely appreciate your interest in our genetics. Your continued support pushes us to work harder each day to help you add lasting value and success to your operation.

Our family remains committed to improving our cow herd, our bulls, and the genetic strength behind them. With our multi-trait Roth Angus bulls, you can be confident in progeny that are profitable across every segment of the beef industry. We are proud of this year's set of bulls and heifers and the quality they represent.

The cattle market has created real opportunity across the industry. Strong feeder calf prices, record fed cattle markets, and steady demand have led to returns not seen in years. It is a time when quality genetics pay, and investing in the right bulls can make an immediate and long-term impact. With the strength and confidence, we are seeing in today's market, there is genuine opportunity to move a program forward and capitalize on returns that reward smart decisions that our bulls offer.

This year's offering includes 60 yearling bulls, 6 fall bulls, and 12 open heifers. Each animal has been thoroughly evaluated with extensive data collected, including birth, weaning, and yearling weights with carcass performance, hip height, pelvic measurements, and scrotal data. From birth to weaning, the bulls are developed on their mother's milk and grass. After weaning, they were started on a high roughage, low Mcal ration and in October transitioned to a 42 Mcal ration, which they remain on today.

Our program focuses on developing bulls that express muscle and skeletal growth while maintaining soundness and long-term functionality. We emphasize calving ease, rapid growth, maternal strength, docility, and performance. Just as important, each animal is expected to perform in the feedlot and on the rail.

We invite you to join us on **Friday, March 27th, at 4:00 p.m.** for our video auction. Following the sale, please stay for our post sale social and Angus supper.

We are extremely proud of this year's offering, truly the strongest set of bulls we have presented to date. Thank you for your interest, and we look forward to seeing you on sale day.

*Thanks & God Bless,
The Roths*

A stout, well-balanced bull with depth, width, and natural muscle shape. Out of a first-calf heifer, he demonstrates the structural integrity and moderation that keep calving practical and predictable. His power comes in a controlled, functional package designed to maintain cow condition and consistency. A heifer bull that delivers muscle and substance without sacrificing calving ease or long-term productivity.

A long-bodied, clean-made bull that's athletic on the move and built right from the ground up. Out of a first-calf heifer, he blends balance and stretch with real-world functionality. Ranking in the top 4% of the breed for calving ease, top 3% for weaning weight, and top 2% for yearling weight, he offers the rare combination of sleep-easy calving and elite growth. Proof that calving ease and real growth can live in the same bull. A quiet, confidence-building option for first-calf heifers.

Lot 9 in the middle of June.
